

# *St. Peter's CWL February 2026 Newsletter*

## **Message from Our President**

Dear Sisters in Christ,

As not everyone has met me yet, let me introduce myself. My name is Megan Warawa (née McClary) and I will be the President of St. Peter's CWL for the next two years. I am a Math/Science teacher, currently teaching Jr. High Science at St. Michael School in the SW. I am looking forward to the opportunity, though I acknowledge both the importance and the work required. I hope you will all give me the grace to get settled into the position.

I am very grateful for all the ladies who have chosen to step up and stay on our executive this year. Thank you to Joan for all of the work she has done the past two years as president. Thank you to Marguerite and all of the ladies who helped out at our Membership Drive. If you have not yet renewed your membership, it can be done on our website [stpeterscwl.ca](http://stpeterscwl.ca).

February brings the start of Lent on Ash Wednesday, February 18th. To allow everyone to attend Mass and return home without staying late, we will not hold a general meeting this month. Instead, let us embrace this sacred season of penance, prayer, and almsgiving.

There are a couple fundraisers that will support our parish and charitable works: join us for the ongoing Lenten Fish Sale (details to follow in the bulletin) and the Cookie Walk coming up on Valentine's Day weekend. Your participation ignites our shared mission of service.

As we prepare to enter the season of Lent, let us remember the new National Theme: "Ignite Your Passion, Empower His Mission". In his letter to the President of WUCWO (World Union of Catholic Women's Organizations) in 2001, Pope John Paul II wrote of the importance of women in witnessing and sharing the faith. In a world that often speaks of the irrelevance, or uselessness of religion, let us renew our passion for God and his mission in order to be strong witnesses to those around us. Passion for Christ leads to passion for humanity which in turn helps to nourish evangelization efforts.

May God bless you and your families,  
Megan Warawa
